

ESGI Helps Maximus Land VP of Worldwide Sales & Marketing

For Immediate Release

Washington, D.C. — Evan Scott Group International, a retained executive search firm specializing in senior-level searches for federal contractors, announced that it has helped Maximus Inc. hire Lance Roncalli as Vice President of Worldwide Sales and Marketing.

Roncalli most recently was Executive Vice President of Worldwide Sales for Fiberlink Communications Corp, and Chief Executive Officer of Fiberlink International, a provider of secure, mobile workforce solutions for the enterprise market. Prior to joining Fiberlink, he served in executive business development positions for Spree.com, an Internet commerce company, and Information Handling Services Inc., a provider of technical content and information solutions. Roncalli has worked extensively managing operations and developing new business in Europe and Scandinavia.

Maximus is a global provider of information technology and management solutions and services to national, state and local governments.

“Mr. Roncalli brings nonpareil knowledge and skills in working with international business partners and customers, developing new business, and securing long-term business relationships” said Evan Scott, president and founder of ESGI. “We are pleased to have helped bring together Mr. Roncalli and Maximus.”

About ESGI

Established in 2000, Evan Scott Group International is a retained executive search firm helping clients recruit executive talent that understands the complexities of selling products and services to the federal government. ESGI clients, which include both large integrators and private and public technology firms, rely on ESGI to conduct comprehensive, confidential searches to help them secure the best available talent for senior-level openings. ESGI is located in Washington, D.C., and Philadelphia, Pa.
