

ESGI Helps SRA Fill Board Position With Public Health Expert

For Immediate Release

Washington, D.C. — Evan Scott Group International, a retained executive search firm specializing in senior-level searches for federal contractors, announced that it has helped place Gail R. Wilensky on SRA International's Board of Directors.

Dr. Wilensky is an economist and a Senior Fellow at Project HOPE, an international health education foundation, where she analyzes and develops policies relating to health care reform and changes in the healthcare environment. Dr. Wilensky also is a commissioner in the World Health Organization Commission on the Social Determinants of Health. Her experience advising on health care issues includes service from 1990 to 1992 as the Administrator of the Health Care Financing Administration, directing the Medicare and Medicaid programs. In 1992 and 1993, she also served as Deputy Assistant to President George H. W. Bush for Policy Development, advising him on health and welfare issues.

SRA is a leading provider of information technology services and solutions, including strategic consulting; systems design, development, and integration; and outsourcing and managed services, to customers in national security, civil government, and healthcare and public health markets.

“Dr. Gail Wilensky brings extensive experience in the healthcare policy arena, an important and growing area of business for SRA,” said Evan Scott, president and founder of ESGI. “Her knowledge of the issues, challenges and opportunities in this market will provide great strategic value to SRA.”

About ESGI

Established in 2000, Evan Scott Group International is a retained executive search firm helping clients recruit executive talent that understands the complexities of selling products and services to the federal government. ESGI clients, which include both large integrators and private and public technology firms, rely on ESGI to conduct comprehensive, confidential searches to help them secure the best available talent for senior-level openings. ESGI is located in Washington, D.C., and Philadelphia, Pa.
